

Walk for Bibles Pray at Home Sheet

*This can be used the day of Walk for Bibles, Saturday, March 3, from 8-12, or any other time. We'd appreciate any time you can lift us up in prayer!

1. Pray God's blessings for Pastor Dennis Myers and his church, First Baptist Cape Canaveral, our hosts for Walk for Bibles.
2. The seafarers face many temptations on the ships. Pray that they will not give in to these and that the Lord will protect their families.
3. Pray that the seafarers would feel God's presence at the ministry and be drawn to Him. Pray for the volunteers and staff to be filled with His Spirit.
4. Pray that when they use our internet that it would not be for anything questionable.
5. The seafarers are away from their families for 6-9 months at a time. Pray that as they are separated, they will find their comfort and love in the Lord.
6. Pray that the Ministry will always have a good relationship with security personnel at the port and that they will stay safe protecting it.
7. Pray for the protection of the port itself and all the ships that dock there.
8. Pray for the safety of the crew and stevedores as they load and unload cargo from the ships.
9. Pray for the Christian seafarers to always follow God, to be involved in the Bible study on their ship, and share their faith.
10. Pray for the Bible study fellowships that meet on the ships. Pray that there will be Spirit-filled leaders and that they will be a light to those around them.
11. The seafarers work 10-12 hour days, 7 days a week. Pray that they will have strength, hope and peace from the Lord.
12. Pray that the crew will come to the Ministry, hear the gospel and begin a walk with Christ.
13. Pray for the CEO and commissioners at the port that they will make wise decisions about the future of the port.
14. There is a lot of construction going on to expand the port. Pray that God will protect the workers and that he will help them to work with excellence.
15. Praise the Lord for providing funds for the ministry and pray for His provision in the future.
16. Ask the Lord to direct the Bibles bought with the money from today into the hands of crew members who are seeking Him.
